Dear Sir:

With regard to the above-identified application, the items of information listed on the enclosed Form 1449 are brought to the attention of the Examiner.

This application relies benefits, under 35 U.S.C. §120, on the earlier filing date of prior application Serial No. 09/864,446, filed on May 24, 2001, now U.S. Patent No. 6,652,360. The references listed on PTO Form 1449 were previously either submitted by the Applicant or cited by the U.S. Patent and Trademark Office in the above-referenced prior application and, therefore, are not required to be provided on this application under the provisions of 37 C.F.R. §1.98(d) and 37 C.F.R. §1.98(a)2(i).

This statement should be considered because it is submitted before the mailing date of a first Office Action on-the-merit. Accordingly, no fee is due for consideration of the items listed on the enclosed Form 1449.

No representation is intended to be made hereby that any of the cited references establishes, by itself or in combination with other information, a prima facie case of unpatentability of any claim of the present case.

Consideration of the items listed is respectfully requested. Pursuant to the provisions of M.P.E.P. 609, it is requested the Examiner return a copy of the attached Form 1449, marked as being considered and initialed by the Examiner, to the undersigned with the next official communication.

Respectfully submitted,
